ENABLING PEOPLE TO MAKE WISE FINANCIAL DECISIONS.

Dear Client,

The spread of Coronavirus (COVID-19) in Canada and beyond has understandably raised concerns for you, your family, and your business.

Our office remains open; however, we are recommending that we have no in-person meetings at this time.

We continue to encourage the use of email as a way to send us your information. However, if you would like to physically drop off information, we have a mail slot available.

We are endeavouring to deliver most of our services electronically as we monitor the situation. If you require in person delivery, please contact us to make arrangements.

We thank you for your understanding at this difficult time.

If you require any further assistance, please contact Smith, Sykes, Leeper & Tunstall LLP at (905) 898-4900 or reply to this email!
